ORDER TO REMOVE NARCOTIC KEY LIMITATION

Now on this 16th day of August, 2011 the petitioner, the Board, through counsel Alma

A. Heckler, moves to remove the Narcotic Key Restriction from Licensee's license to practice nursing in the state of Kansas. Licensee's license to practice nursing was limited pursuant to a Consent Agreement and Final Order entered in the above captioned case and dated July 26, 2011. Among the limitations is a narcotic key restriction which prohibits the Licensee from passing of narcotics, wasting of narcotics, having access to narcotics or from supervising nurses or others that have access to narcotics. Petitioner has received documentation showing that the Licensee has complied with the narcotic key restriction. The period of said narcotic key restriction has ended. The hearing officer orders that the limitation of narcotic key restriction on Licensee's license to practice nursing in the state of Kansas is removed. All other conditions and requirements, ordered in the Consent Agreement and Final Order, remain in place.

IT IS SO ORDERED.

CONSENT AGREEMENT AND FINAL ORDER

NOW ON THIS 26th day of July, 2010, the Kansas State Board of Nursing, represented by Assistant Attorney General, Alma A. Heckler, and the Respondent, Jeanette E. Estopare, by and through counsel Bill Lowe, hereby enter into this agreement and proffer evidence and the hearing officer adopts those recommendations and makes the following findings of fact and orders:

AGREED FINDINGS OF FACT

1. Respondent is licensed to practice nursing in Kansas through 10/31/2011. The Kansas State Board of Nursing (KSBN) has jurisdiction over the Respondent and the subject matter of this action.
2. Respondent's address of record is 11401 W 114th Terrace, Overland Park, KS 66210.
3. The Respondent understands that pursuant to K.S.A. 77-515, respondent may be represented at respondent's expense by, an attorney during these proceedings.
4. After an investigation, the Board's investigative committee found reasonable grounds to believe that the respondent violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.
5. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

6. (a) A petition was filed April 28, 2010 to take disciplinary action against the licensee's license. Respondent was working at Heartland Spine and Specialty Hospital (HSSH) in Overland Park, Kansas on or about June 27, 2009. Respondent was present at the nurse's station when prescriptions for Percocet, Lovenox and Keflex for one of the patients came up missing.

(b) Respondent went to CVS Pharmacy located at 11900 W. 135th Street, Overland Park, Kansas and attempted to fill the prescription for Percocet, a controlled substance. Respondent forged her name to the prescription. The pharmacist on duty contacted HSSH because the prescription was not labeled in the customary fashion. The pharmacist identified the respondent. The pharmacist indicated that the respondent identified herself as an employee of HSSH and stated Dr. Cannova, the doctor who signed the script, was going to perform surgery on her next week. Dr. Cannova confirmed the respondent was not his patient and he had not issued any prescriptions on her behalf.

(c) Respondent was confronted on June 29, 2009 with the details listed above and she admitted to taking the prescription for Percocet and attempting to pass it. Respondent was terminated from her employment on June 29, 2009.

(d) Respondent also admitted to the Board Investigator in a letter dated November 24, 2009; she took the prescription and presented it to the CVS Pharmacy.

(e)

7. The above incidents are violations of the nurse practice act. The Respondent agrees that the board is prepared to prove that respondent has violated:

Count 1: K.S.A.65-1120(a)(1), to be guilty of fraud or deceit in practicing nursing or in procuring or attempting to procure a license to practice nursing.

Count 2: K.S.A. 65 – 1120(a)(6), unprofessional conduct by inaccurately recording, falsifying, or altering any record of a patient or agency or of the board; K.A.R. 60-3-110(d).

Count 3: K.S.A. 65-1120(a)(6), unprofessional conduct by K.A.R. 60-3-110(n), diverting drugs, supplies, or property of any patient or agency.

8. Respondent has the right to a hearing with evidence and witnesses and to seek review of the findings from that hearing in accordance with the Kansas Administrative Procedure Act and the Act for Judicial Review and Civil Enforcement of agency actions. Respondent is waiving those rights and voluntarily entering into this agreement instead of proceeding to such a hearing.

CONCLUSIONS OF LAW

9. The Kansas State Board of Nursing has the authority under K.S.A. 74-1106 et seq. to examine, license and renew license for duly qualified applicants and may limit, deny, suspend or revoke a license or authorization to practice nursing, may issue a public or private censure and levy administrative fines consistent with K.S.A. 74-1110, if a violation of K.S.A. 65-1120 is established.

10. Respondent has violated the Kansas Nurse Practice Act as follows:

Count 1: K.S.A. 65-1120(a)(1), to be guilty of fraud or deceit in practicing nursing or in procuring or attempting to procure a license to practice nursing.

Count 2: K.S.A. 65 – 1120(a)(6), unprofessional conduct by inaccurately recording, falsifying, or altering any record of a patient or agency or of the board; K.A.R. 60-3-110(d).

Count 3: K.S.A. 65-1120(a)(6), unprofessional conduct by K.A.R. 60-3-110(n), diverting drugs, supplies, or property of any patient or agency.

POLICY STATEMENT

11. The role of the Kansas State Board of Nursing is to protect citizens of Kansas.

DISPOSITION

12. By entering into this Consent Agreement and consenting to the entry of the Final Order, both parties waive their right to full administrative proceedings pursuant to K.S.A. 65-1120 and K.S.A. 77-501 et seq. and to judicial review.

13. Upon the parties entering into this Consent Agreement and Final Order, the Respondent's Kansas Nursing license will be suspended until the following conditions have been met:

- (a) Respondent's current therapist has cleared the Respondent to go back to work;
- (b) Respondent has entered the Kansas Nurses Assistance Program (KNAP);

14. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that this Consent Agreement will continue through any renewal periods of respondent's nursing license until respondent completes each of the conditions and requirements of this agreement. Further, the parties agree that in the event of a lapse of Respondent's nursing license, reinstatement of Respondent's nursing license shall be contingent upon this Consent Agreement and Final Order remaining in effect until Respondent completes each of the conditions and requirements of this agreement.

15. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that once Respondent has met the conditions of paragraph 13 of this Consent Agreement and Final Order, then the suspension of Respondent's license to practice nursing in Kansas will be immediately stayed. The suspension will be stayed as long as the requirements and conditions of this agreement are met.

16. Based upon this agreement, and pursuant to the disciplinary remedies available in K.S.A. 65-1120, the parties agree that once the suspension on Respondent's license to practice nursing in Kansas is stayed pursuant to paragraph 13 of this Consent Agreement and Final Order, then Respondent's license to practice nursing in Kansas is immediately limited. The

limitations placed on the license and described below will remain in place until the requirements and conditions of this agreement are met or until the requirements and conditions of this agreement call for the modification of the limitations.

17. The Kansas State Board of Nursing will not take additional disciplinary action against respondent's nursing license for the violations stated above as long as respondent completes each of the following conditions and requirements:

(a) Respondent shall return his or her current license card to the Board with this Consent Agreement. Once the suspension of Respondent's license to practice nursing in Kansas has been stayed pursuant to paragraph 13 of this Consent Agreement and Final Order, Respondent shall receive a license card which shall be issued with an "S" placed in the status code portion of the license card to indicate that the license is suspended with a Stay. The card will have an "L" indicating the limitations on the practice.

(b) Respondent will participate in and complete the reasonable recommendations and requirements of the Kansas Nurses Assistance Program (KNAP); sign releases of information necessary for KNAP to evaluate and monitor respondent and for KNAP to report information to the board. Respondent acknowledges that this agreement will be an open record pursuant to the Kansas Open Records Act, K.S.A 45-215 et seq., and may be published or disseminated notwithstanding any state or federal law otherwise restricting public access to, or dissemination of, any personal or health care information contained herein. Respondent will be deemed to have completed the KNAP program when KNAP Issues written notification that respondent has completed the program. Respondent must enroll in the KNAP program within thirty (30) days of entering this agreement. Noncompliance with KNAP is a violation of this agreement.

(c) Respondent must submit to random drug screens as determined or selected by the Board or by KNAP. The costs of the drug screens will be paid by the respondent. Respondent agrees that a Positive Drug Screen is a violation of this agreement.

(d) Respondent shall have a narcotic key restriction on respondent's license for the six (6) months after respondent secures employment that requires a nursing license. The narcotic key restriction prohibits the respondent from passing of narcotics, wasting of narcotics or having access to narcotics. The narcotic key restriction also prohibits the respondent from supervising nurses or others that have access to narcotics. After respondent completes six (6) months of employment that requires a nursing license, without violating any terms of this agreement, respondent may request that the narcotic key restriction be removed from respondent's license. Respondent's request shall include written verification from respondent's employer, to the Kansas State Board of Nursing, as to whether the respondent has been employed in a position that requires a nursing license; as to whether the respondent has held that position for at six (6) months; as to whether the respondent has passed, wasted, had access to, or supervised others that had access to narcotics. With a showing that the narcotic key restriction term of this agreement has been met by the respondent, and the respondent is compliant with all other terms of this agreement, the narcotic key restriction will be removed from respondent's license.

(e) Respondent shall immediately notify the Legal Division of any use of alcohol, if prohibited by KNAP, or controlled substances, or any violation of this Consent Agreement and Final Order.

(k) Respondent shall not pick up any controlled substance from any pharmacy except that which has been specifically prescribed for her.

(l) Respondent shall not work as a director of nursing or in a charge or supervising position while restrictions on her license continue.
