**Expiration Date: August 31, 2012**

Dear Ms. Hogg:

This is official notification that an informal conference will be held pursuant to §§ 2.2-4019, 2.2-4021, and 54.1-2400(10) of the Code of Virginia (1950), as amended ("Code"), **on February 7, 2012, at 9:00 a.m.** at the Department of Health Professions, Perimeter Center, 9960 Mayland Drive, Suite 201, Henrico, Virginia 23233. You may be represented by an attorney at the conference. This informal conference will be convened as a public meeting pursuant to § 2.2-3700 *et seq.* of the Code.

The Special Conference Committee ("Committee"), which is comprised of at least two members of the Virginia Board of Nursing ("Board"), will inquire into allegations that you may have violated certain laws and regulations governing professional nursing practice in Virginia.

Specifically:

1. You may have violated § 54.1-3007(6) of the Code in that you may be unsafe to practice professional nursing due to mental illness and substance abuse, as evidenced by the following: on or about June 22, 2011, you were admitted to Memorial Regional Medical Center, Mechanicsville, Virginia for major depression and alcohol abuse. From June 22, 2011, to June 27, 2011, you were admitted to the Richmond Behavioral Health Authority Crisis Stabilization Unit, Richmond, Virginia, for treatment of your depression and alcohol abuse.
2. You may have violated § 54.1-3007(2), (5), (6), and (8) of the Code and 18 VAC 90-20-300(A)(2)(f) of the Regulations Governing the Practice of Nursing in that during the course of your

employment with Bon Secours St. Mary's Hospital, Forensics, Richmond, Virginia, as the forensics nurse on call:

a. On or about March 8, 2011, after you were paged to respond to a patient who reported being abused, you did not call the hospital back for 30 minutes. When you finally called, the nurse who spoke to you observed that you did not appear to be listening, she had to repeat the same answers multiple times, and you did not offer any guidance.

b. On or about March 18, 2011, between 1:30 p.m. and 3:00 p.m. hospital staff attempted to contact you on several occasions because they needed you to respond to a police request for a forensic examination on a sexual assault victim. When a hospital staff member was able to reach you at or around 3:00 p.m., you sounded "out of it" and you stated that you would have to get someone else. In response to the written counseling for the incident, dated on or about March 25, 2011, you wrote that you were suffering from severe depression.

In its deliberations, the Committee may use the Sanction Reference Points System, as contained in the Sanction Reference Manual. The manual, which is a guidance document of the Board, may be accessed at <http://www.dhp.virginia.gov/nursing>. Please click on *Guidance Documents*, then select #90-7. You may also request a paper copy from the Board office by calling (804) 367-4515.

Since the allegations listed above involve impairment, please be advised that you may make application to the Health Practitioners' Monitoring Program ("HPMP"), which is available to all health care practitioners licensed in Virginia. Information about the HPMP is enclosed. Should you enter into a written agreement with the HPMP prior to your informal conference, the Committee will take that into consideration when deciding your case.

After the informal conference, the Committee is authorized by § 54.1-2400(10) of the Code to take any of the following actions:

- If the Committee finds that there is insufficient evidence to warrant further action or that the charges are without foundation, the Committee shall notify you by mail that your record has been cleared of any charge which might affect your right to practice nursing in the Commonwealth;
- The Committee may place you on probation for such time as it may designate and subject to such terms and conditions as it may deem appropriate;
- The Committee may reprimand you;
- The Committee may impose a monetary penalty.

Further, the Committee may refer the case to the Board of Nursing or a panel thereof for a formal hearing. If the Committee is of the opinion that suspension or revocation may be justified, the Committee may offer you a Consent Order for suspension or revocation in lieu of a formal hearing.

If you fail to appear at the informal conference, the Committee may proceed to hear the case in your absence and may take any of the actions outlined above. At least ten days prior to the scheduled date of the

conference, please inform this office at (804) 367-4576, or in writing at the address listed above, of your telephone number and whether you intend to appear at the informal conference.

To facilitate this proceeding, you should submit five copies of any documents you wish the Committee to consider to the Department of Health Professions, Board of Nursing, Perimeter Center, 9960 Mayland Drive, Suite 300, Henrico, Virginia 23233, by February 2, 2012. Your documents may not be submitted by facsimile or email.

You have the right to the information on which the Board will rely in making its decision. Therefore, I have enclosed a copy of the documents that will be distributed to the members of the Committee and will be considered by the Committee when discussing any allegations with you and when deliberating on your case. **These documents are enclosed only with the original notice sent by certified mail, which you may be required to claim at the post office. Please bring these documents with you to the informal conference.**

In the event of inclement weather, please be advised that Board of Nursing hearings will be held unless state offices are closed. Please listen to television or radio announcements to provide information about official state closings or delays. If there is a delayed opening, hearings will begin at the time of the agency opening. A recorded announcement pertaining to closings or delays will also be available by calling the main telephone number for the Department of Health Professions at (804) 367-4400.
